

HIGH HOLY DAY PROGRAM

Pianist Alan Pearlmutter and clarinetist Linda Poland usher in the Jewish New Year and High Holy Days with a program designed to inspire remembrances of the hopes and trials of ages past, of wonder at the mysteries of the universe, of lives lived and lost in faith and devotion to our people and our God. Songs include *Avinu Malkeinu*, *Oyato v'chartonu*, *Darkechaw Elokaynu*, *V'Nislach*, and *V'sawmachtaw*. A brief narrative by Cantor Kay Greenwald of the American Conference of Cantors will begin the program.
